

Znshine Solar Project Portfolio

Where is sunshine, there is Znshine.

2021

Who Are We?

Tier1

PV modules
manufacturers

30+ years

Manufacturing
experience

6GW

Production
Capacity

Headquarters

Changzhou, China

DNV GL

Top Performer

NEEQ

The biggest PV company
listed on NEEQ

Reliable Bankability

Bankable Solar Products

Europe

33 MW

UKRAINE | 2020

Project type:
Ground mount Utility

5.28KW

Sao Paulo, Brazil | 2020
Project type: Floating Solar Project

Europe

3.166 MW

UKRAINE | 2020

Project type: Ground mount Utility

11MW

Japan | 2015
Project type: Ground mount utility

4.7MW

ARGENTINA | 2019

Project type:
Ground mount Utility

Europe

50KW

Netherlands | 2020

Project type:
Floating Solar Energy System

Latin America

3.6KW

Colombia | 2020

Project type:
Rooftop solar system

Latin America

46.5KW

Colombia | 2020

Project type:
Rooftop solar system

3.6 MW

Chile | 2019
Project type: Ground mounted

1.6 MW

Chile | 2019
Project type: Ground mounted

Europe

99.96 KW

France | 2020

Project type:
Rooftop solar system

10.5 MW

Vietnam | 2020
Project type: Ground mount utility

3 Kwp KW

Colombia | 2020

Project type:
Rooftop solar system

3.5 MW

Brazil | 2020

Project type:
Ground Mounted solar system

Shanxi Province, Yulin

Capacity:300MW May 2018

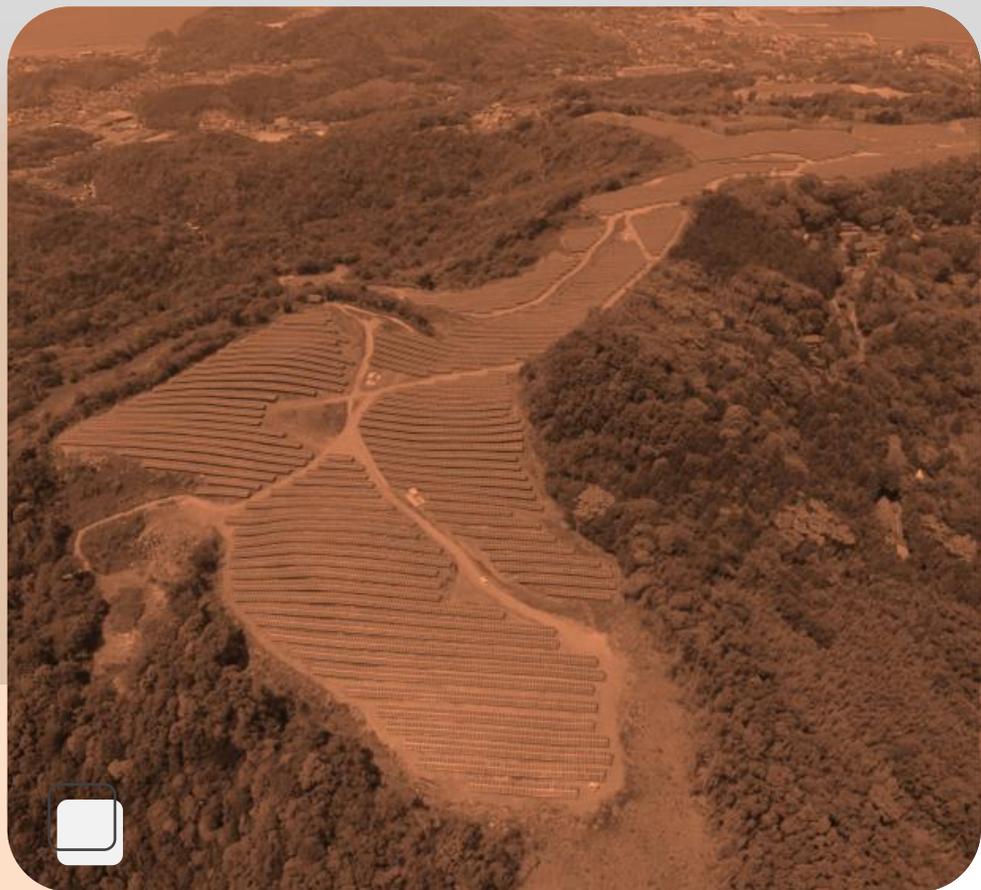

Jiangsu Province, Dongtai

Capacity: 5.9 MW Dec 2014

Inner Mongolia

Capacity:50MW May 2017
